

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

97440-1

Date of Issuance:

1/13/23

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Bright 2020 Disinfectant Wipes

Name and Address of Registrant (include ZIP Code):

Ivy Zhang
Agent for
Zhejiang Bright Commodity Co. Ltd.
Electronic Transmittal: enquiry@reach24h.com; zhangjingjing@reach24h.com

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Tara Flint Silva, Product Manager 31
RMBI, Antimicrobials Division

Date:

1/13/23

2. You are required to comply with the data requirements described in the DCI identified below:

- a. ADBAC GDCI-069105-1679
- b. DDAC GDCI-069149-0681

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI listed above, you may contact the Reevaluation Team Leader (Team 36): <http://www2.epa.gov/pesticide-contacts/contacts-office-pesticide-programs-antimicrobial-division>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
- Revise the EPA Registration Number to read, “EPA Reg. No. 97440-1.”
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 12/15/2022

If you have any questions, please contact Tara Flint Silva via email at flintsilva.tara@epa.gov.

KITCHENS: Sink & Counter, Garbage Cans

BATHROOMS: Bathtub & Faucets, Toilet Seat, Door Knobs

OFFICES: Desk, Computer, Telephone

CLASSROOMS: Table, Chair

GYMS: Fitness Equipment

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use instruction for flow pack

To Open Package: Open the lid and peel back the label slowly. Pull out wipes as needed and re-seal the label. Keep the container tightly closed to keep the wipes from drying out.

To Disinfect Hard Non-Porous Surfaces: For visibly soiled areas, precleaning is required. Wipe surface until thoroughly wet. Allow surface to remain visibly wet for 5 minutes. Use as many wipes as necessary to keep the surface visibly wet for the duration of the contact time. Allow the surface to air dry. Toss dirty wipe away. For surfaces that come in contact with food: Use only on hard, non-porous surfaces and rinse thoroughly with water.

NOT INTENDED FOR PERSONAL HYGIENE. DO NOT FLUSH IN THE TOILET.

Use instruction for canister

To Open Package: Lift off the lid and remove the foil. Pull the first wipe from the center and press it through the “x” on the bottom side of the lid. Close the lid and pull the wipe at an angle to separate it at the perforation. Keep the container tightly closed to keep the wipes from drying out.

To Disinfect Hard Non-Porous Surfaces: For visibly soiled areas, precleaning is required. Wipe surface until thoroughly wet. Allow surface to remain visibly wet for 5 minutes. Use as many wipes as necessary to keep the surface visibly wet for the duration of the contact time. Allow the surface to air dry. Toss dirty wipe away. For surfaces that come in contact with food: Use only on hard, non-porous surfaces and rinse thoroughly with water.

NOT INTENDED FOR PERSONAL HYGIENE. DO NOT FLUSH IN TOILET.

STORAGE AND DISPOSAL

Store unopened package in a cool, dry place in areas inaccessible to little children. Dispose of wipe in trash after use. Do not contaminate water, food, or feed by storage and disposal. Close lid between uses to retain moisture.

Container Handling: Non-refillable container. Do not reuse or refill this empty container. Offer empty container for recycling. If recycling is not available discard the container in the trash.
